Author Biography

Educated in UK and Nigeria, Jay Onwukwe holds degrees in Estate Management, and in Surveying and Geodesy.

His professional career of over two decades as geophysical seismic surveyor involved duty tours into remote and unexplored terrains of Sudan, Yemen, the Chad Basin and Niger Delta, while working for multinational oil companies.

Those regular trips into Mother Nature in its pure nakedness, and the consequent abstinence from regular social interactions, not only kindled his interest in, but also empowered his study into the innate powers of Man and Nature.

Jay is a friend of Youths. His earlier work - *The WEALTH SECRETS You Must Know Before40* - is a best-selling knowledge book available at Amazon, and a must-read for every aspiring youth.

Jay lives at Aba with his gorgeous wife and enjoys reading, writing and gardening of rare and exotic plants.
