## Book Review

**Reviewed by Anne Boling for Readers' Favorite**

Three Romance Mysteries...

When sisters Jenna Stafford and Carly Reece get together, there is sure to be murder, laughs, and romance.

When the local editor is murdered, Jenna and Carly are hot on the trail of the murderer in Death On a Deadline. Branson is the setting of Drop Dead Diva. In Home and Deadly, Carly starts her own business and once again finds they are again investigating a murder.

I love this book. The sisters have a wonderful sense of humor, and their characters work well together. My favorite story was Drop Dead Diva. I am very familiar with Branson, because it is my favorite vacation spot. This is the first book I have read by Christine Lynxwiler, Jan Reynolds, and Sandy Gaskin. I am curious how they write a book together. I think that would be difficult. Nevertheless, they did an excellent job. I will be watching for more books with their names on them.
